The Keith McHeffey Foundation was created to keep the spirit of Keith McHeffey and countless other local victims of the terrorist attacks on the World Trade Center on September 11, 2001 alive through a variety of charitable functions. To this end, the Foundation has created a permanent memorial to area victims by renovating Memorial Field at Piping Rock Park in Rumson, NJ, helping to complete the children's playground at Fair Haven Fields, and most recently donating a digital scoreboard to Sickles School in Fair Haven. The Foundation also awards annual scholarships in his name to students at Rumson Fair Haven Regional High School and has assisted many of the youth sports programs including Fair Haven, Rumson and Sea Bright.
